HEADINGS

Heading elements allow for placement of heads (titles) of sections. They're broken into a series of graduated sizes: <h1> through <h6>.

So that you can see how they work, on the left we have the code and on the right is the output:

CODE

<h1>Heading 1.</h1>

<h2>Heading 2.</h2>

<h3>Heading 3.</h3>

<h4>Heading 4.</h4>

<h5>Heading 5.</h5>

<h6>Heading 6.</h6>

OUTPUT

Heading 1.

Heading 2.

Heading 3.

Heading 4.

Heading 5.

Heading 6.
